I think Anne of Green Gables is just so adorable and this game is just as good! Anne of Green Gables is a classic children's novel published in 1908. Set in the late 19th century, the novel recounts the adventures of Anne Shirley, an 11-year-old orphan girl, who was mistakenly sent to two middle-aged siblings; Matthew and Marilla Cuthbert, originally intending to adopt a boy to help them on their farm in the fictional town of Avonlea on Prince Edward Island. The novel recounts how Anne makes her way through life with the Cuthberts, in school, and within the town. Anne of Green Gables The young freckled Anne, with her long red hair and braids, doesn't like her own appearance but maybe she will change her mind if you give her a pretty style before she starts her school years. The story of Anne of Green Gables continues as the main character grows from a child into a mother herself. The first step in creating an Anne of Green Gables costume is deciding whether you want to dress up as Anne as a child, teen or young woman.
