

Download Atlas Of Descriptive Histology

How to Use Histology Web Pages. In these web-pages you will find extensively hyper-linked notes and images summarizing the basics of tissue organization in the human body. Liver Pathology (Please review the general note about pathologic histology in year one.) Because the body depends on so many various liver functions, the liver is also involved in a variety of pathological processes. Gray's Anatomy. This is human anatomy textbook originally written by Henry Gray. Earlier editions were called Anatomy: Descriptive and Surgical, but the book's name is commonly shortened to, and later editions are titled, Gray's Anatomy. Schematic illustration of a goblet cell in close up, illustrating different internal structures of the cell.
