The FOMC holds eight regularly scheduled meetings during the year and other meetings as needed. Links to policy statements and minutes are in the calendars below. The Federal Open Market Committee (FOMC) Meeting Minutes are a detailed record of the committee's policy-setting meeting held about two weeks earlier. FOMC Meeting Schedule 2019 FOMC (Federal Open Market Committee) is the branch of the US Federal Reserve that determines the course of monetary policy. FOMC announcements inform everyone about the US Federal Reserve's decision on interest rates and are one of the most anticipated events on the economic calendar (for USD and USD pairs). Even if the FOMC holds the rate steady, the meeting minutes give you a high-level analysis of the U.S. economy. As a result, the stock market reacts immediately to the FOMC meetings, announcements, and minutes.
