

Download George Orwell Books Free Download

Eric Arthur Blair (25 June 1903 – 21 January 1950), better known by his pen name George Orwell, was an English novelist, essayist, journalist and critic, whose work is marked by lucid prose, awareness of social injustice, opposition to totalitarianism, and outspoken support of democratic socialism. Writing in *The Guardian* in years past, Christopher Hitchens revisited *Animal Farm*, George Orwell's "dystopian allegorical novella" that took aim at the corruption of the Soviet Union and its totalitarian rule. The bibliography of George Orwell includes journalism, essays, novels and non-fiction books written by the British writer Eric Blair (1903–50), either under his own name or, more usually, under his pen name George Orwell.
