

Download How Many Anne Of Green Gables Books Are There

Anne of Green Gables is a 1908 novel by Canadian author Lucy Maud Montgomery (published as L. M. Montgomery). Written for all ages, it has been considered a classic children's novel since the mid-twentieth century. I LOVED Anne of Green Gables as a child and own the complete hard copy of the Anne series. Initially, I was delighted to find this collection of books written by one of my all time favorite authors for only \$0.99 (kindle price). Anne With An E, the dark, deeply feminist Netflix adaptation of Anne of Green Gables returns on July 6 for Season 2. The new storylines will push to the limits of Lucy Maud Montgomery's source ... I don't often give books five stars and as I neared the end of this book, I gave some thought to how many stars this book deserved. I've read the Anne of Green Gables series once before - over twenty years ago.
