

# Download Made Up Fables

i have to write a fable with a moral in it and im not the best writer. if someone could come up with an unpublished fable it would be great. make sure to tell me what the moral of the story is. Update: i do my homework, i just have trouble with making up stories and stuff. A fable is a very short story which promises to illustrate or teach us a lesson which is also called a moral. Usually if not always, fables are stories having animal characters that talk like humans. Usually if not always, fables are stories having animal characters that talk like humans. No, far from it. He just did a lot of particularly high quality. short made up stories The central objective of this bedtime story is to educate and to convince children that the computer's keyboard can be broken or spoiled if it is crushed savagely. Because it is an educational story with a central message and some secondary messages we can classify it as a moral story.
