Benny Imura and his friend Chong look for a job so their rations don't get cut in half. Benny is against becoming a zombie hunter because his half-brother, Tom, is known as one of the best zombie hunters around. Depending on the study guide provider (SparkNotes, Shmoop, etc.), the resources below will generally offer Rot and Ruin chapter summaries, quotes, and analysis of themes, characters, and symbols. Rot and Ruin, by Jonathan Maberry, is a zombie type future world where the the protagonist, Benny Imura lives. The rule is that if you don't get a job by the time you are fifteen, you will have your food ration cut in half. Benny Imura I would reommend this book to my friend Stefan. I think he would lik it because he is really into the fantasy/sci-fi type books. Also he enjoys the type of book that always takes unexpected twists and turns Charlie Matthias is the bully of the Rot and Ruin. At 6 foot
