2001: A Space Odyssey is a 1968 science fiction novel by British writer Arthur C. Clarke. It was developed concurrently with Stanley Kubrick's film version and published after the release of the film. One of only a few servants to receive a name in The Odyssey, Euryclea is one of the oldest and most trusted servants in Odysseus's household. In the course of the poem, we'll see her working as a maid, a nurse, a confidante, and even a friend, as she helps both Telemachus and Odysseus with their plans.
